Marseillan Holiday

Swallows' Nest Price Details

Swallows' Nest is a charming, friendly and cosy house in the heart of Marseillan village.

It has been carefully renovated to provide all modern facilities, without sacrificing any of the ancient charm. The house is all electric, with both British and French sockets - and both British satellite and French television are provided.

The kitchen is fully equipped - the beds are new - all linen is provided.

In fact everything is provided, including beach towels.

Nobody in Marseillan can offer anything approaching Swallows' Nest at the same price. We will match anybody who tries!**

** Applies to documented proof of lower price for identical offer within the village of Marseillan for the same dates. Owners' decision is final.
